# Product Last Time Buy, End-of-Service and End-of-Life Notice

To our Valued Customers and Partners,

As part of our continued focus on providing our customers and partners with products of the highest quality, Thyron Payment Systems Ltd. (TPSL) and Spire Payments Ltd. (SPL), both Spire Payments Companies, hereby inform you of their intention to bring the products described below (and related accessories) to an End of Life (EOL) and an End of Service according to the schedule described below.

In order to ensure a smooth transition, TPSL and SPL will enable their Customers and Partners to undertake a Last Time Buy (LTB) of the affected products (and related accessories) up to the final LTB date identified in the below schedule.

**Please note the following Key Terms and Dates:**

**Last Time Buy (LTB) Date**: Customers and partners will have the opportunity to submit a final order or set of orders for the affected products or for spare parts and accessories related to the affected products up to the date set forth below (LTB Date) for all remaining inventory. Please note that the orders will be filled on a first come / first served basis and the orders will only be accepted by TPSL or SPL up to the quantity of products then available in their inventory at the time the order is ready to be shipped.  Beyond the LTB Date, TPSL and SPL will no longer accept any orders for the affected products and any related accessories.

**End of Service (EOS) Date:** With respect to a particular product, customers and partners may request services, maintenance, updates, repairs and the like up until the EOS date set forth in the table below provided the necessary components are available in inventory at the time the product is presented for repair.  Beyond the EOS Date, TPSL and SPL will no longer provide services of any nature for the affected products.

**End of Life (EOL) Date:**  Beyond the EOL Date, TPSL and SPL will no longer accept any order for the affected products and any related accessories and will no longer provide services of any nature for the affected products.

We are pleased to inform you that the new Spire Payments family of Terminals and PinPads ("Sp" series) provide a robust and effective replacement terminal that meets today's most stringent security standards and we invite you to go to http://www.spirepayments.com for more information.

Please contact your TPSL or SPL representative if we can assist with your migration efforts from TPSL's MPT series to Spire Payments' "Sp" series or if you wish to discuss your ongoing projects in more detail.

Best regards,
